QUALITY PEPPER SEED GROWERS

To the Seed Trade:---

We come before you again with our 1925 contract prices on Pepper Seed. We list nine varieties with prices as low as can be produced consistent with high quality and reasonable profits.

We take special pains to keep strains pure both in seed house and field, and keep types selected up to a high standard by carefully selected breeding plats.

We specialize on varieties and strains particularly adapted to the trucking and shipping trade.

Fields are separated and great care exercised throughout to produce the best seed possible to grow.

Our Peppers

ROYAL KING—We are proud of this Pepper. Is gaining new friends each year. A great pepper for the trucker and shipper. The best keeper of them all. We are originators and headquarters.

RUBY KING—Our early strain of Ruby King is in great demand by the truckers and is esteemed for its good size, uniformity and heavy bearing qualities.

WORLD BEATER—Our strain is the best. None better.

PERFECTION PIMIENTO—We are originators and headquarters for this great canning Pepper. We can give you close prices on large amounts of seed.

Visitors are always welcome to our place, particularly during growing season. Come and see how we handle this business.
